### **IMPORTANT INFORMATION**

**During Term III some courses will be held face-to-face at the Institute and some will still be held online using the Zoom platform**

### **Conditions**

#### **Enrolments**

Courses will start only if a sufficient number of enrolments is reached (6 students per course - maximum 16 students).

***Courses may also run with a lower number of students, in which case the number of hours will be reduced as follows:***

- 5 students: 20 hours
- 4 students: 16 hours

#### **Payment**

Enrolments are accepted all year round. However, we strongly recommend to finalize the enrolment as soon as possible, as some courses fill up very quickly.

#### **Entry test**

With the exception of complete beginners, students who have studied Italian elsewhere wishing to enroll into a higher level will be required to undergo a short entry test to determine which course is most suited to their level. Tests will be submitted/sent to prospective students upon requests or can be downloaded on top of this page.

### **Student card**

All the students attending Italian language courses at the Institute are entitled to obtain a student card for the duration of the course that will allow them to borrow from our book and DVD library for FREE. Should the student wish to obtain a one year membership, which will allow him/her to access all the other benefits of the IIC membership, he/she is entitled to a 50% discount, thus paying only \$40 (instead of the usual \$80 fee).

### **Scholarships**

The Italian Cultural Institute offers to its students scholarships to attend short Italian language courses in Italy. For more information check the page: ***Scholarships at the Institute***.

### **Reimbursements**

A full refund will be given if a course is cancelled due to insufficient enrolments. ***Once the course has begun, fees cannot be refunded or transferred. The Istituto cannot be held responsible for any changes in personal circumstances.***

### **Rescheduling of classes**

Under exceptional circumstances - usually related to a cultural event held at the Institute - ***we reserve the right to reschedule classes according to the students' and the teachers' needs.***
