## Conditions

### Enrolments

Courses will start only if a sufficient number of enrolments is reached (6 students per course - maximum 16 students). ***In exceptional circumstances courses may also run with a lower number of students, in which case the number of hours of tuition will be reduced (e.g. 5 student: 20 h, 4 student: 18 hours).***

### Payment

Enrolments are accepted all year round. However, we strongly recommend to finalize the enrolment as soon as possible, as some courses fill up very quickly and **no Early Bird discounts will be granted in the last two weeks from the start of the course.**

### Entry test

With the exception of complete beginners, students who have studied Italian elsewhere wishing to enrol into a higher level will be required to undergo a short entry test to determine which course is most suited to their level. Tests will be submitted/sent to prospective students upon requests or can be downloaded on top of this page.

### Student card

All the students attending Italian language courses at the Institute are entitled to obtain a student card for the duration of the course that will allow them to borrow from our book and DVD library for FREE. Should the student wish to obtain a one year membership, which will allow him/her to access all the other [benefits of the IIC membership](#), he/she is entitled to a 50% discount, thus paying only \$40 (instead of the usual \$80 fee).

### Scholarships

The Italian Cultural Institute offers to its students scholarships to attend short Italian language courses in Italy. For more information check the page: ***Scholarships at the Institute.***

### Reimbursements

A full refund will be given if a course is cancelled due to insufficient enrolments. ***Once the course has begun, fees cannot be refunded or transferred. The Istituto cannot be held responsible for any changes in personal circumstances.***

### Rescheduling of classes

Under exceptional circumstances - usually related to a cultural event held at the Institute - ***we reserve the right to reschedule classes according to the students' and the teachers' needs.***
